TRIUMPH TERMS AND CONDITIONS (Revision March 2015)

All reference to SELLER is Triumph Geo-Synthetics, Inc. and affiliates of Triumph Geo-Synthetics, Inc. All reference to BUYER shall include all subsidiaries and affiliates placing the order.

BUYER shall issue to SELLER a signed sales order or a purchase order for the materials the BUYER is purchasing from Triumph. All quantities for the full execution of any project are the sole responsibility of the BUYER.

All sales to BUYER are subject to these Terms and Conditions, which shall prevail over any inconsistent terms of BUYER'S purchase order or other documents. Additional or different terms and conditions in any way altering or modifying these Terms are expressly objected to and shall not be binding upon SELLER. BUYER'S acceptance of any goods shipped by Triumph will constitute acceptance of Triumph Terms and Conditions. No modification or alteration of these Terms shall result by SELLER'S shipment of goods following receipt of BUYER'S purchase order, or other documents containing additional, conflicting or inconsistent terms. There are no terms, conditions, understandings, or agreements other than those stated herein, and all prior proposals and negotiations are merged herein. These Terms are binding on the Parties, their successors, and permitted assigns.

The delivery date is only an estimate of when the product will be shipped and/or delivered. Every reasonable effort will be made to meet shipment or delivery date stated, but Triumph assumes no liability for loss or damage due to delays or failure to meet any BUYER specified delivery date or quoted delivery date. Quoted price for any product does not expressly include shipping; the cost shall be paid directly by the BUYER. All shipping quotes by common carrier are estimated. Any charges in excess of those quoted will be charged to the BUYER and are the sole responsibility of the BUYER. **SELLER shall not be liable for delay or default in delivery resulting from any cause beyond SELLER'S reasonable control, including, but not limited to, governmental action, strikes or other labor troubles, fire, damage or destruction of goods, wars (declared or undeclared), acts of terrorism, manufacturers' shortages, availability or timeliness of transportation, materials, fuels, or supplies, and acts of God (each a "Force Majeure Event"). Upon the occurrence of a Force Majeure Event: (a) the time for SELLER'S performance shall be extended reasonably and the Parties shall adjust all affected dates accordingly; (b) the purchase price shall be adjusted for any increased costs to SELLER resulting from such Force Majeure Event; and (c) BUYER shall not be entitled to any other remedy.**

When goods are delivered to BUYER in SELLER'S own vehicles, the F.O.B. point shall be BUYER'S designated delivery site. SELLER may, in its sole discretion, apply BUYER'S payment against any open charges.

Past due accounts bear interest at the lesser of 1.5% per month or the maximum rate permitted by applicable law, continuing after SELLER obtains judgment against BUYER. SELLER may exercise setoff or recoupment to apply to or satisfy BUYER'S outstanding debt. BUYER shall have no right of setoff hereunder, the same being expressly waived hereby.

BUYER shall pay SELLER all costs and expenses of collection, suit, or other legal action brought as a result of the commercial relationship between them, including, but not limited to, all actual attorneys' and paralegals' fees, and collection costs, incurred pre-suit, through trial, on appeal, and in any administrative or bankruptcy proceedings. Any cause of action that SELLER has against BUYER may be assigned without BUYER'S consent to SELLER.

Additional Data

Any additional data to support a demonstration of good faith efforts (use additional sheets if necessary):

Hazard Construction's Estimators and Estimating Secretary are available for assistance with navigating the Bidmail Site, FTP Site or agency's website to access project information. Estimators are available to discuss and answer questions regarding the specifics of the projects.

If Internet or printing access is limited Hazard offers to burn CD's or prints necessary documentation and ships at no cost to the subcontractor or vendor. Hazard Construction encourages all potential Subcontractors and Vendors to offer lower tier companies to assist in meeting goals on projects.

Hazard Construction has earned awards by Caltrans District 11 for Utilization of Small Business and DVBE Companies in 2005 and 2009. Hazard also earned Prime Contractor of the year in 2011 and 2012 from Caltrans District 11 for highest small business participation.
